IMPORTANT INFORMATION: Type or PRINT CLEARLY, using dark ink. Do not abbreviate unless necessary. Print or photocopy additional copies of this page as needed. Use of your own format is acceptable (Excel or Word) if ALL information requested is given. A horizontal (landscape) format please. Keep a copy of the completed entry form for your records. If changes are made after form is sent, fax or email an entry form marked "REVISED", or for simple changes call or email the information (619-254-7117, SommelierChallenge@yahoo.com). Incomplete or inaccurate information may result in your wine not being judged under the best conditions. We are not responsible for submission errors. For Name of Wine, include the Brand Name if different than winery, or use a separate entry form for each Brand. If entering multiple brands, include a cover sheet listing all brand names, number of each, and total entered. Make clear the distinction between a Brand Name and a Proprietary Name within a Brand Name. Copies of labels clarify this issue, so please include one label or legible copy for each wine with the entry form (not with the wine). Tech sheets are welcome. Make sure all 6 bottles for each entry are exactly the same wine, vineyard, vintage, etc. (this is a common error). Indicate on entry form the size of bottle or container if other than a standard 750ml bottle. State the price of the size bottle you are shipping, or explain. See entry instructions for number of non-standard bottles or other container required. For your security, if you have written credit card information on the entry form, delete it on the shipping copy. Mark each boxes indicating total shipped (example: "Box 1 of 3"). Ship wine as soon as possible to allow time to resolve questions or issues, especially if shipping from outside the US. See instructions if you do not have your own importer
